MANOSUN

EUAN7S20

Features

- Reinforcement (between thumb and index fingers) greatly extends glove life to save your cost and provides extra protection in the weak area
- EN ISO 13997 TDM cut F and ANSI cut A7 certified
- 10-finger touchscreen compatibility enables you to use all touch screen devices on the job
- Advanced yarns process technology contributes to high cut protection remaining extra softness, flexible and comfort
- Excellent resistance to industrial oil and greases
- Super grip in both dry and slightly oily working conditions
- Ideal for heavy duty work and critical cut/blade hazards

Industries

- Oil & Gas
- Aerospace
- Fabrication
- Engineering
- Automotive
- Glass Handling
- Manufacturing
